Chorus: C
 My cat stole my sock,
 F G
 Didn't ask, he just took it.
 C
 He won't bring it back.
 F G
 He's a bad cat.
 F C G C
 He ran away, dropped it on the train track.
 C G C
 What can I say? He's a bad cat.

 F
I've got two feet, one of them is freezing,
 C
It's snowing outside, have to go to a meeting,
 G
Only got this pair,
 G C
So I've just got one sock to wear.

Chorus

My foot'll get cold
If I try to walk,
Or ride the bus
With just one sock,
Have to hop to the track
Go and try to get it back.

Chorus

There's a clickety clack
Coming down the train track.
The engineer
Is my bad cat.
It always makes me mad
That cat of mine is so bad!
