

# Circle of Faith

No Capo

© 2010 Amisk Community School, Beaver Lake, AB & Lowry Olafson

Chorus:       G           C  
                  Circle of faith  
               D                   Em   A7  
                  Reaching up to the stars  
                                  C  
                  It's a circle of faith  
                          D                   G  
                  You can keep it in your heart.

                          C  
When you hold your head up high  
                                  G  
\_ You can get there if you really try,  
                                  A7  
Even when you're feeling hurt and wrong  
C                                   D  
Underneath you know your spirit's strong.

Chorus

                          C  
When someone believes in you  
                                  G  
It gives you courage to speak your truth  
                                  A7  
Feel it flowing like a waterfall  
C                                   D  
When you know that you're part of it all.

Chorus

                          C  
When it feels like your destiny calls,  
                                  G  
If you hear it, you'll be standing tall.  
                                  A7  
Every hero lives for honour and peace  
C                                   D  
So many dreams lie within your reach.

Chorus
