Chorus: C F G
Don't back down, keep on going
 C F G
Don't back down, I believe in you.
 F C G Am
Keep on climbing 'til you reach the stars,
 F G C
Don't back down.

 G
I can see by your frown that you're feeling down,
 C
And you think you should just give up.
 G
But we've been friends for a long, long time,
 C
And it's not over yet.

Chorus

 G
I haven't seen you smile in a little while,
 C
And I miss your cheerful ways.
 G
You gotta pick yourself up, dust yourself off,
 C
Tomorrow's a brand new day.

Chorus

 G
Well, I've been there too,
 G
I've been in your shoes,
 C
You're not the only one.
 G
Bring your spirit alive _ Here's a high five.
 C
Let's go have some fun.
