Chorus: E A
There's fifteen ways to trick your teacher
E A
Every kid should know,
E A
Make sure that he doesn't catch you
B7 E
Or to the office you will go.

 A E
You can show up in the morning wearing your pajamas,
A E
Dress up like a monkey, pretend to go bananas,
A E
Sneak out the bathroom window, leave a mannequin on your chair,
B7
Glue his markers to his desk, put confetti in his hair.

Chorus

 A E
You can lock him out of the classroom, say the door is broken,
A E
That you'd really like to help him but you just can't get it open,
A E
Bring a glass of milk that you trip and spill upon him,
B7
Hide his reading glasses so he has to cancel classes!

Chorus

 A E
Give him a pencil that won't sharpen, a pen that falls apart,
A E
Put a sign that says for sale on the window of his car,
A E
Switch his coffee for molasses, put wasabi in his sandwich
B7
Drop an eyeball in his glass, make him beg for a different class.
