Chorus: Bm
 Into the night,
 F#m
 The Joker strikes,
 G
 He's always watching
 F#
 Your every move
 Bm
 Into the night
 G
 He fills you with fright
 F#
 But don't be afraid,
 Bm
 He'll disappear with the light.

 G
 It's a fool's game
 Bm
 That the Joker plays
 Em
 It's a cruel shame
 F#
 That he plays it this way.

Chorus

 G
 When the light shines
 Bm
 His blood runs cold
 Em
 He hides behind the blinds
 F#
 And he's not so bold.
