Chorus: G
 It's awesome, so awesome,
 C D7
 This feeling of love.
 G Em
 It's awesome, so awesome,
 C D G
 Like it comes from up above.

G C G
Love is a dream, Love changes everything,
 Am D7
Floats like the clouds on a summer day.
 C G
High in the sky, there's enough for everyone,
 Am D7 G
Open up your heart, _ Love leads the way.

Chorus

G C G
Starts with a smile, Love spreads so easily,
 Am D
All across the world, when we care.
 C
We're all here,
 G
To share the love around,
 Am
You can find it everywhere,
D7 G
Love is in the air.
