F G C
Together, we're living the dream.

When you listen to your heart,
It's gonna take you far,
What you dream and what you do
You know it's up to you,
And everyone can play a part.

Chorus

Your dream begins with you,
And you can make your dream come true,
You don't have to be a star,
Just trust in who you are,
Believe in me and you.

Chorus
