Chorus: G C D
Neon dreams will fall down,
 G C D
Lighting up the sky,
 G C D
They appear like magic
 G C D
You can see them shine
 G C D G C D
For you and I, you and I, for you and I.

Chorus

 C G D
When you wake up to find your dream is real,
C G D
In your heart, you know the way it feels,
 Am C
There's a whole world to explore,
 Am D
When you open up the door.

Chorus

 C G D
If you don't try, you might not ever know,
 C G D
But if you believe, just watch your spirit grow,
 Am C
Like a rainbow in the blue
 Am D
Show the world what you can do.
