 G C
There's no more pizza left.
Am D
Everyone but me got a piece.
 G Em
I wish I got here earlier,
 C D
I love tomato, pepperoni and cheese,
 D G
But there's no more pizza, no more pizza left.

 G C
There's no more pizza left.
 Am D
I wish they would have saved me a slice,
G Em
How could they forget that I love it so
 C D
Mama Mia, it would sure taste nice.
 C D G
But there's no more pizza, no more pizza left.

 C
But I can get more
 G
If I go to the store
 A7
'Cause there's pizza galore
 C D
But then the storekeeper told me...

 G C
"There's no more pizza left.
 Am D
I haven't got a single crumb.
G Em
Everybody came and they bought it all,
 C D
I hate to spoil your fun,
 C D Em
But there's no more pizza, no more pizza, no more pizza,
C Am D G
No more pizza, no more pizza, no more pizza left!"
