Chorus:        C                F                C  
School's out, scream and shout!  
                  F                        G  
Let's all have a party.  
                  F                        C  
Run around, laugh out loud,  
                  G                                G                C  
Scream and shout, 'cause school's out!

                  G  
It's time to celebrate,  
                  C  
We get to take a break,  
                  G  
Now we can sleep in late,  
                  C  
Then go jump in the lake.  
                  F  
'Cause all the tests are done,  
                  C  
We want to have some fun.  
                  G  
We're going to play a ton,  
                  C  
Out in the sun.

Chorus

                  G  
There's an amusement park,  
                  C  
Where we can stay till dark  
                  G  
On the roller coaster ride  
                  C  
You can almost touch the sky.  
                  F  
Don't have to go to bed  
                  C  
We'll eat ice cream instead  
                  G  
Hang out with all our friends  
                  C  
Hope it never ends.
