

Spit Balls

© 2011 Grassy Plains School & Lowry Olafson

Chorus: C
Spit balls, spit balls, spit balls
 F G F G
Stuck on the ceiling, stuck on the walls,
 C
Spit balls, spit balls, spit balls
 F G C
Stuck on the bathroom stalls.

 G C
We want to tell you a little story
 F C G
About a kid with some paper and pen.
 G C
To alleviate the boredom,
 F C G
He took a shot at his best friend.

Chorus

He missed and he hit the teacher.
She whirled around and glared.
You could have heard a pin drop
And all the kids were scared.

Chorus

No one would admit it.
The culprit would not confess.
She said “ A hundred lines for all of you”
You’re ALL gonna pay for this!”

Chorus

They waited until recess
With spit balls in their pens.
They cornered him in the bathroom,
He felt the fury of their revenge!
