C G  
Life can be a bumpy road,  
F G  
Twists and turns, you never know,  
C G  
Hills and valleys, lie ahead  
F G G  
You're always gonna need a friend.

Chorus: C  
They can make you laugh.  
G  
They can make you sing.  
F  
They can make you blush.  
G  
It's a wonderful thing.  
C  
They can make you frown,  
Am  
And you still care,  
F  
'Cause a friend like you  
G C  
Is always there\_\_ for me.

C G  
Around the corner, if you're sad,  
F G  
Our friendship's not a passing fad.  
C G  
When you call, it's like a rainbow  
F G G  
In my heart, a place to go.

Chorus

C G  
I'm so happy you're my friend.  
F G  
We know this road will never end.  
C G  
Even when we have to part,  
F G G  
I'll carry you inside my heart.

Chorus X 2
