Chorus:           C  
                    This is what we stand for  
                    Am  
                    This is what we believe,  
                    F  
                    Trusting in each other,  
  G sus G  
                    Sets our spirits free.  
                    C  
                    This is what we stand for,  
                    Am  
                    This what we need,  
                    F  
                    When we stick together,  
                    G           C  
                    We succeed.

                    G  
Every one of us is different,  
  C  
But inside we're all the same,  
  F  
And we make everybody welcome  
  G  
In all the things we do and say.

Chorus

  G  
We make a difference for each other,  
  C  
Take responsibility  
  F  
We're all trying in our own way  
  G  
To be the best that we can be.

Chorus.
